# Experience in Procurement Management & Consulting

SRG Bangladesh Limited (SRGB) provides strategic management consulting advice in the areas of procurement management, monitoring & evaluation, sustainable development and human resource development and aims to make available the best fruits of the experience of its successful professionals to benefit and contribute to the process of sound management and development of several sectors of Bangladesh. SRGB has a rich experience in Procurement and Contract Management and worked as the procurement specialist for many national and international organizations. The following represents brief description of such few selected projects undertaken by SRGB in recent past.

(1) **Monitoring and Evaluation Consulting: Public Procurement Reform Project–II (PPRP-II), 2009-2013 [A World Bank funded Ongoing Project]**

Client: Central Procurement Technical Unit (CPTU), Implementation Monitoring and Evaluation Division (IMED), Ministry of Planning, Govt. of Bangladesh

The objective of PPRP II was to improve performance of the public procurement system progressively in Bangladesh, focusing largely on the key sectoral ministries and targeting their implementing agencies. It has four major components:

- Furthering Policy Reform and Capacity Development
- Strengthening Procurement Management at Sectoral/Agency level and CPTU/IMED
- Introducing Electronic Government Procurement (e-GP), and
- Communications, Behavioral Change, and Social Accountability.

Specific objective of this assignment was to develop a sustainable Monitoring and Evaluation System for independently monitor the implementation of PPRP-II at each of the four target agencies and evaluate attainment of project development objectives, measured through a set of outcome/output indicators, both at the project level and its component level.

The main thrust of the assignment was to have a robust system in place for managing monitoring and evaluation functions of the project at the CPTU (Central Procurement Technical Unit) and four target agencies level, on the basis of the results monitoring framework of the project (PPRP II). Outcome/output indicators and key procurement performance indicators was used for the implementation of PPRP by four target agencies, namely Roads and Highways (RHD), Local Government Engineering Department (LGED), Bangladesh Water Development Board (BWDB), and Rural Electrification Board (REB).
